ND Highway 9 southeast of Carrington; and ND 28 near Ryder now open to traffic

The North Dakota Department of Transportation (NDDOT) has opened ND Hwy 9, ten miles east of the junction of US Highway 52/281, southeast of Carrington.

The NDDOT has also opened ND Hwy. 28, from Ryder north to the junction of ND Highway 23.

For road information, motorists should go to www.dot.nd.gov or call 511.
